Summary

My name is Emma H.L Muulyao. I am a Software Developer currently doing my honors degree in Business Informatics at the Namibia University of Science and Technology. I am Passionate about building applications that solve real world problems. I enjoy working on projects that involve full stack development and data analysis. I am always eager to learn new technologies and contribute to meaningful projects.

Education

Grade 12 (AS-LEVEL)

Namib High School

Business Informatics Honors – In progress

Namibia University Of Science And Technology (NUST)

Bachelor of Computer Science

Namibia University Of Science And Technology (NUST)

Experience

2025 – Software Backend Developer intern (EduTec)

- Development and testing of software applications.
- Collaborated with senior developers to improve system functionality.
- Deepened my understanding of software development cycle and project management.

2025– 2026 – Full Stack Developer Intern (Easy View Media World cc)

- Developed a fully functional website.

2025–2026 – Web Developer Intern (Wild Cherry Adventures)

- Creating /Designing websites using WordPress .

INTERNSHIP COMPLETION AND RECOMMENDATION LETTER

27/05/2025

To Whom It May Concern,

This letter is to formally acknowledge that Ms. Emma Muulyao, ID number 04061600249, has successfully completed her internship at Educational Technology Global (EduTec), where she served in the capacity of Backend Developer.

During her internship, Ms. Muulyao demonstrated a high level of professionalism, technical competence, and dedication to her responsibilities. She was actively engaged in the design, implementation, and optimization of backend systems that power EduTec's educational technology solutions.

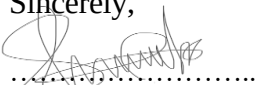

Her key contributions included developing and maintaining server-side logic, managing database structures, integrating third-party APIs, and ensuring the robustness and scalability of EduTec's backend architecture. Ms. Muulyao also participated in technical reviews and debugging sessions, where she exhibited strong analytical thinking and problem-solving capabilities.

She consistently met project deadlines, adapted well to dynamic development requirements, and maintained clear, effective communication with both technical and non-technical team members. Her eagerness to learn, attention to detail, and commitment to clean and maintainable code made her a valued member of the development team.

Based on her performance, we have no hesitation in recommending Ms. Muulyao for any future academic or professional opportunities. We are confident that her technical proficiency, reliability, and positive attitude will contribute greatly to any organization or team she joins.

We thank her for her contributions to EduTec and wish her all the best in her future endeavors.

Sincerely,

A handwritten signature in black ink, appearing to read "Barthromeus N. Shileka".
